**Taybeh OktoberFest** is our village festival in Biblical Ephraim, one of the most ancient places in Palestine, not just to promote Taybeh Beer but all local Palestinian products made in the village aimed at boosting the economy. Making Taybeh famous in Biblical times was Christ's visit (John 11:54). Ephraim was changed to the modern name Taybeh after Salahdin (1187). The folktale states that Salahdin found the local Christians very hospitable and generous thus making a statement that they were "Taybeen."
